LETTER OF RECOMMENDATION

Dear Mr Zuwała,

Thank you for your continued service to Styliff Inc. We hereby confirm cooperation and business contacts with JKing sp. z o.o. located in Wrocław ul. Szczytnicka 38, Poland.

We started cooperation on project Styliff in June 2016. Project lasted until the end of July. The goal of a project was to modify our existing web solution, both frontend and backend part.

The results of their work were the one we expected. Website got rebranded, backend solution improved (they implemented our new algorithms in backend).

I am pleased to recommend J. King sp. z o.o. as a reliable business partner and I look forward to our continued relationship.

Regards,
